# PREPERATION & ON THE DAY

## WHAT TO WEAR - COMFORT IS KEY!

I recommend wearing neutral colours that will help all your outfits work together in group shots. Most importantly I want you to feel confident and comfy so items that are stylish but also comfy is perfect! Dressing to weather is also key, if it is colder please remember to bring hats, scarfs and gloves. Especially on the seafront it can be windy and cold so keep this in mind when choosing your location. Picking a colour scheme and coordinating outfits works well instead of trying to match everyone in the same colour.

## HOW TO PREPARE

Especially with children it is important to explain to them what we will be doing in a fun way. As well as taking photos I will encourage games, jokes and messing around to create natural moments. Don't worry too much about getting them to smile on command, instead I recommend tickling and jokes to create natural smiles. You are welcome to bring toys, games, anything you think that would help.

## SMALL THINGS

Sometimes we forget about the small things. Prior to the photoshoot remember to take anything out of your pockets such as keys, phones and wallets. Hair bands also should be taken off your wrist at least an hour prior to the photoshoot.

## ESSENTIALS

Pack essentials for your shoot. For families I recommend bringing a change of clothes and a jumper to change into. I also recommend bringing a hair brush, wipes, towels, snacks, water bottles to keep everyone clean and hydrated. For dog owners I recommend bringing lots of dog treats to use as encouragement along with towels and toys if needed.

# CUSTOMER PHOTOS

WE RECENTLY CELEBRATED OUR GOLDEN WEDDING ANNIVERSARY, IN OUR FAVOURITE PLACE IOW, AND DECIDED WE NEEDED TO HAVE THE DAY RECORDED IN SOME WAY. NEITHER OF US LIKE BEING PHOTOGRAPHED AND WE DIDN'T WANT FORMAL PHOTOS.

JODIE WAS THE PERFECT PERSON. SHE PUT US AT EASE IMMEDIATELY, MADE US LAUGH AND OUR PHOTOS WERE VERY RELAXED AND CAPTURED "US" AS WE REALLY ARE. SHE GOT SOME CRACKING PICTURES OF OUR DOGS ON THE BEACH TOO.

WE HADN'T TOLD FAMILY AND FRIENDS WE WERE HAVING A PHOTO SHOOT, SO IT WAS A BIG SURPRISE FOR ALL, NOT LEAST OUR TWO ADULT SONS! EVERYONE THOUGHT THE PHOTOS WERE AMAZING.

# FAQS

## CAN I CHOOSE MY LOCATIONS ?

Yes absolutely. The locations I have suggested are only recommendations. I love trying new locations!

## DO I NEED TO BRING ANYTHING WITH ME ?

If your on location we advise to bring any drinks you want along with you. If you have children coming to the shoot please bring any food or snacks they might need. You can also bring anything you'd like in the photos with you. For example maternity shoots you may want to bring a scan photo and a baby outfit.

## HOW LONG WILL THE SHOOT BE ?

Every shoot is different however each session is up to an hour, if it runs over slightly that's absolutely fine as I make sure I've got enough time. Usually shoots last between 30-45.minutes on average.

## HOW DO I BOOK ?

Please contact us by any social media outlets or via email to book.

## CAN I CANCEL MY BOOKING ?

Things happen and I completely understand that so you can cancel or reschedule a photoshoot if needed however if it is cancelled under 48hrs prior to the shoot you will lose the deposit. If it is cancelled above 48hrs prior to the shoot then the deposit can be transferred to another date.

## WILL YOU SHARE PHOTOS FROM OUR SHOOT?

I will always ask beforehand if photos from the shoot can be shared. This is your choice and I will respect your decision.
